**Deductions from salaries.**

6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of two per centum per annum on such

Ten years' contribution requisite for full allowance.  
Diminution for less period of contribution.

Allowance conditional on good service.

Diminution when Head of Department reports unsatisfactory service.

**10.** If any person to whom this Act applies, is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three month's pay for every two years' service, or a superannuation allowance not exceeding Gratuity when yearly allowance not earned.

Pensioners under sixty liable to serve if required, under penalty of loss of allowance.

**12.** Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

Service before Confederation to be counted.
